PBDRC Season Closer

WINTERS BEEN COLD...

Almost a solid 5 months without any drag racing on the track. While the time off allows us to prep for each coming season. We still miss the weekends at the track and coming home smelling like freshly melted rubber and VHT.

So what's been happening since our last meeting in April? We had our AGM on the 27th of June. A new committee was elected and the wheels began turning again. With our new committee we have some fresh faces and some faces that are still covered in rubber since the last season of shenanigans.

A working bee took place on the 25th of August. The tower is looking fresh with a new kitchenette in place, the sign in shed has had a new lick of paint and been reorganised to be more user friendly for the workers and racers alike. The wooden pit railings have also been touched up with some paint as well. The paint was kindly donated to the club by the wonderful Jeff Dermott Painting & Intumescent Coatings. While there have been a few extra days at the track, we are well on our way to a wicked season. The front end of the tower has been relined with some new sheets of ply, our announcer booth is getting some work done to also be more user friendly, so we can keep both spectators and racers in the know on race day.

We had a lot of people grab the early bird discount deal which was awesome to see! Of course, those who have not yet purchased membership for the upcoming season can do so at anytime. So what's included in membership this season? For \$75, you get a membership gate pass for all 5 events, 1 crew pass, \$10 off your race entry fee, and voting rights on club decisions (if present at the required meeting). Gate entry this season is \$15 - so look at membership like your paying for gate entry for 5 events and getting all the rest for free.

ARE YOU SORTED FOR THE SEASON?

It's an exciting time in NZ Drag Racing! With the National Championship Series coming to life. IHRA & NZDRA have combined forces to host an incredible series and we cannot wait to be apart of it.

Make sure you head over to www.pbdr.com and check out our downloads page. We have the IHRA rulebook, the newly published National Championship Series Regulations, travel money requirements form and so much more!

Do you need a Tech Inspection? Check out the IHRA website and get in touch with one of the techs listed to come and make sure you meet the rules and are ready to go on race day. We've been waiting long enough and don't want anything stopping you from getting on the track.

DON'T FORGET...

Please remember on race day, for race entry fees, we can only accept cash. Eftpos is not available.

All racers, crew members, spectators and workers are reminded to abide by the code of conduct. If you are unsure of what this is, be sure to read it via our website, find it at the gate upon entry or at the sign in shed on display.

PRIZEGIVING

The generous Slick Burgers & Catering have signed up again this season to provide vouchers for prize giving.

As per usual we will have our normal prize givings, but have added a couple new things in. Prizes will include, but not limited to:

- Best Reaction Time - During Eliminations
- Best Presented
- Closest to dial-in

NEXT MEETING

Drivers Meeting -
Wednesday, 18th
September 2019
7PM Start
Rodbenders Hall
132 Waterloo Road,
Christchurch
